Aloha DCs

See attached, input to "descriptors" from different areas. If you haven't submitted your input and would like to do so, you have till Monday, May 13th to do so. Otherwise we will be forging ahead and using what we've received to make decisions on "descriptors" for all GELOs.

As a reminder, ENG 100, ENG 102, SP 151, HIST 151, HIST 152, GELO #7 Areas of Knowledge -- Humanities, Natural Science, Social Science will be the first round of courses to go through the "certification" process. Please let faculty know and please be sure Course Outlines of Record are up-to-date.

Thank you.

Joni
